

**CONQUER THE WEB.
BUILD A WEBSITE.**

**SHARE YOUR PASSION.
RULE THE WEB.**

WHAT

BizStream Academy is a summer code bootcamp. Students learn useful web development skills such as, HTML, CSS, and JavaScript from passionate mentors in a friendly, helpful environment. Students leave with new skills, a website they built themselves, and some super awesome swag.

WHEN

Planning for Summer 2019 is taking place now! Visit our website to stay updated via our newsletter or to preregister.

WHERE

BizStream - 11480 53rd Ave. Allendale, MI 49401
